DECLARATION OF JAMES E. GRIFFITH

I, James E. Griffith, declare and testify as follows:

1. I am admitted to practice law in the State of Illinois. I represent The Estate of Vivian Maier ("The Estate").

2. I am authorized to act on behalf of The Estate. I submit this declaration in support of The Estate's request for issuance of a subpoena to Redbubble Limited ("Redbubble"), pursuant to the Digital Millennium Copyright Act, 17 U.S.C. § 512(h). The purpose of The Estate's subpoena is to obtain information sufficient to identify the alleged infringer or infringers that posted various Maier images on systems operated by Redbubble without The Estate's authorization, as these postings infringe copyrights held by The Estate (the "Infringing Content"). I have personal knowledge of the facts contained herein and, if called upon to testify, I could and would testify competently thereto.

3. On October 25, 2016, The Estate submitted a DMCA notification to Redbubble via Redbubble's DMCA's support e-mail address and airmail. In the notification, The Estate identified the Infringing Content on Redbubble's systems and provided the information required by 17 U.S.C. § 512(c)(3)(A). The user names under which the Infringing Content was posted are as follows: "Celeste Ciafarone", "Brian Gaynor", "bekyimage", "Etsn", "bersa", and "astrom95" (hereinafter the "Redbubble Posters").

4. I have a good faith belief, based on the facts known to me, that the Redbubble Posters are infringing The Estate's intellectual property rights.

I declare under penalty of perjury under the laws of the United States of America that all statements made herein of my own knowledge are true and all statements made herein on information and belief are believed to be true.

Executed on March 29, 2017 .

James E. Griffith

Dear Sir or Madam:

We are intellectual property counsel for the Estate of Vivian Maier ("the Estate"), the renowned American street photographer. We have learned that several of your users, "Celeste Ciafarone," "Brian Gaynor," "bekyimage," "Etsn," "bersa," and "astrom95," are currently offering unauthorized reproductions or merchandise featuring reproductions of Maier works for sale on your website. Additionally, we are award of several images being offered under the heading "Vivian Maier Greeting Cards," several of which also feature unauthorized reproductions of Maier images posted by the same users. The specific URLs at issue are:

https://www.redbubble.com/people/astorm95/works/22063642-fight-me?grid_pos=8&p=greeting-card

For your reference, we have attached printouts of the pages offering the infringing items. Note that the Estate does not have any issue with the items posted by Steve's Fun Designs or MarblesinaJar, although they should not be listed using the Vivian Maier trademark.
The Estate has a good faith belief that the disputed uses are not authorized by the Estate, its agent, or the law.

Under the Copyright Act, the unauthorized copying, reproduction, distribution, and public display of another's copyrighted material is actionable and may give rise to monetary damages, injunctive relief, and attorneys' fees. The copying, display, and offering for sale of infringing Vivian Maier prints on your website infringes the copyrights held by the Estate in Ms. Maier's images.

Additionally, the offering for sale of merchandise and reproductions of works by other photographers under the heading "Vivian Maier Postcards" falsely suggests that these photographs were taken by Ms. Maier and/or that she authorized their sale. This false association violates the Estate's rights in its federally registered VIVIAN MAIER trademark, is likely to cause confusion in the marketplace, and constitutes unfair competition. This alone would form the basis of a claim by the Estate against you for monetary and equitable relief under both the Lanham Act and related state laws, as well as an award of the Estate's costs and attorneys' fees.

While the aforementioned violations of the Estate's intellectual property rights cause concern, the Estate acknowledges the possibility that the misuse of Ms. Maier's works and mark might be the result of unauthorized conduct by Redbubble users. Accordingly, the Estate is hopeful that you will cooperate in order to end the infringement by taking the following steps by no later than November 4, 2016:

- Redbubble must immediately cease and desist from displaying or offering for sale, or allowing any of its users to display or offer for sale, any image, print or other reproduction in any form or media consisting of or derived from any Vivian Maier work;

- Redbubble must immediately cease and desist from all use of the Vivian Maier name and trademark in connection with any photographs or images on Redbubble's website – because the Estate does not consent to the use or sale of any Maier images on the Redbubble website, any search for "Vivian Maier" should not yield any results and there should be no "Vivian Maier Postcards" section (or any other section specifically referencing Vivian Maier);

- Redbubble must disclose to the Estate all sales and production information related to works offered for sale on your website that are either attributed to Vivian Maier or sold under the heading "Vivian Maier Postcards" or any other related "Vivian Maier" heading;

- Redbubble must disclose to the Estate all information in its possession related to its users "Celeste Ciafarone," "Brian Gaynor," "bekyimage," "Etsn," "bersa," and "astrom95," including current contact information for each;

- Redbubble must provide written notice to its users "Celeste Ciafarone," "Brian Gaynor," "bekyimage," "Etsn," "bersa," and "astrom95" that their images infringing the Estate's copyrights have been removed and that further violations will result in expulsion from Redbubble's service;

- Redbubble must provide to the Estate written confirmation that it has taken or will take the steps required in this letter.

The Estate would prefer to resolve this matter amicably, and it is optimistic that Redbubble will cooperate to quickly resolve this matter. However, if Redbubble fails to comply with the demands of the Estate, the Estate will not hesitate to bring claims in order to protect its rights.

We look forward to hearing from you as soon as possible and no later than November 4, 2016. This letter is without prejudice to the Estate's right to take whatever steps are necessary to protect its rights.

For purposes of the DMCA, I certify under penalty of perjury that the above information is accurate and I am authorized to act on behalf of the owner of the rights involved.

Sincerely,

James E. Griffith

  Great top , gorgeous for summer had to go a size up tho as tight fitting around neck and armpits . Print design fab and had lots of positive comments .

  Excellent design, and good quality material. The sizes provided don't seem to match up to other products i've purchased from this website, and mine seems to be a bit short. Overall I like it, just wish it was longer and more accurate to the size charts they usually use.

Samuel Sep 13, 2016

The posters delivered were greatly printed, felt really professional and are just the right size to show the details in the artwork I ordered but not be overwhelming on my wall. They're really easy way to add a personal touch to my student room without the need for wall hooks or frames. Can't wait to show them off!

Sweatshirt Reviews

- **Very comfortable, arrived on time,**

  Samreid Sep 21, 2016

  Very comfortable, arrived on time, print is of a great quality.

- **Dope Sweatshirt**

  Jonathan Jul 9, 2016

  I usually where mediums in everything else, but I like my sweatshirts to fit with a bit of room so I had to get this in a large. I am 6'1" and 165 pounds. Anyways the sweatshirt is made of great material and the graphic is unreal. Literally every time I wear it people comment on it, because it makes such a bold statement. And the thing that's is awesome about it for me is that they are always like "what's on your sweatshirt" then I get to to tell them about one of my favorite rapper's MF DOOM. The artist is incredible Red Bubble is awesome will be doing much more shopping here in the future.

- **Primo**

  Laz Jun 7, 2016

- **Luv my shirt!**

  Amy Mar 25, 2016

Love my sweatshirt! It is very soft and thick! Have bought several shirts as well, and they are always of good quality and true to size!

- **Amazing!!**

  Abigail Mar 4, 2016

  i really loved my sweatshirt, and it didn't take long to ship either
